

Saferway Mobile: Parental Consent Form

Children under the age of 13 are not able to use the Saferway application without express written permission of a parent or legal guardian.

Saferway will collect information such as name, email address, picture, phone number, mobile device ID related to push notification, and mobile location for all accounts. Only family members listed below will have access to this information. Parent or guardian consent is required for the collection, use or disclosure of information for children under the age of 13.

Please print this form out, complete it and email it at support@saferway.io

Please confirm the name and contact information for the child for whom you would like to grant access to Saferway.

I have reviewed the Saferway privacy policy at <http://saferway.io/index.php/2015/11/06/privacy-policy/>.

By consenting, I understand that I am enabling my child to participate in all aspects of the Saferway Service, including sharing location and videos with others I have added below.

I understand that I can contact Saferway at any time to determine what information about my child has been collected, to confirm how that information is used, and to request that the application no longer collect information from my child and/or to delete information previously collected from my child.
